CONFIRMATION OF TELEPHONE ELECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A telephone requirement for an election of species was made in connection with the above-identified patent application on July 18, 2003.

The undersigned confirms that in response to that telephone requirement, an election was made of (i) "styrene-acrylate copolymer" as the resin particle and (ii) "talc" as the other fine particle.

However, Applicants understand that upon search, examination and allowance of the elected species, search and examination will continue as to the non-elected species with the scope of the generic claims.

Respectfully submitted,
